

Minimize
your tax burden.

Maximize
your business potential.

Achieve
your financial objectives.

What are your accounting and management goals?

For most businesses, this is a tough question. But it's one that Perrin Fordree & Company, P.C. will help you answer.

Backed by more than 40 years of experience in accounting, tax, business and management consulting, we're uniquely qualified to develop a comprehensive financial plan that fits your company's individual needs, no matter what business you're in.

Perrin Fordree has the ability to handle all of your accounting and management issues, specializing in acquisitions, divestitures, audits, business valuation, tax and succession planning, litigation support, business appraisal, information technology consulting, human resources training, executive recruiting and inventory control.

And, of course, we'll balance your books and prepare your financial statements and tax returns.

We've also helped our clients achieve assessment goals in qualifying for quality certification such as ISO 9000 and QS 9000.

You can't reach your financial goals until you define them. Give Perrin Fordree a call today, and put our minds to work for your business.

ESTATE PLANNING IDEAS FOR BUSINESS

Corporate Capabilities, Personal Service

Perrin Fordree & Company, P.C. was established in 1958 and has since set the standard for accounting and management consulting in Southeast Michigan. While we've grown considerably throughout the years, we still take great care in maintaining close, professional relationships with all of our clients. Whether your financial management needs are seemingly simple or more complex, our goal is to assist your business in achieving optimum performance and maximum profitability.

Merging Minds

Given our expertise in mergers, Perrin Fordree elected to merge with McCulloch Mayette & Company, P.C. in 1999. McCulloch Mayette, renowned for their command of information technology consulting, business valuation and litigation support, has proved to be an excellent match for Perrin Fordree. Together,

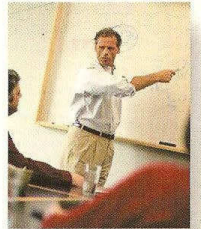

under the name Perrin Fordree & Company, P.C., our combined staff of CPAs and associates is positioned to deliver a full range of client services into the 21st century.

Comprehensive Financial Management Services

Over the years, Perrin Fordree has serviced hundreds of clients, ranging from automotive manufacturing suppliers and medical practices to construction and real estate companies to personal service corporations and high net worth individuals. Our areas of consulting expertise include:

- Auditing
- Mergers
